## **FirstNet Learning Announces Launch of *Trust University***

**Denver, CO – February 15, 2008:** FirstNet Learning, a leader in online learning solutions, announces the launch of *Trust University* for the members of Workers Compensation Trust (WC Trust). Founded in 1981, WC Trust is a comprehensive workers' compensation program designed to meet the unique needs of the Connecticut healthcare industry. WC Trust is Connecticut's only healthcare workers compensation program dedicated to the healthcare industry.

Trust University delivers knowledge@work™ training courses online on a variety of topics pertinent for all types of healthcare employers: Nursing Home/Residential Care, VNA/ Home Health Care, Rehabilitation, Convalescent, Hospitals, Community Organizations, Human Services, Medical Transport and other Medical Services. Trust University offers courses in general safety as well as management and employee relations, and the courses range in length from 30 minutes to 1 hour. Training can be done at any time, any place, and any pace; 24 hours a day, 7 days a week, 365 days a year (or 366!)

"We are very excited about creating and delivering this first phase of Trust University. We look forward to working with WC Trust to develop custom courses created specifically for their members", stated Roy Burger, FirstNet Learning Chairman and CEO. "WC Trust has done a tremendous job the last 28 years of providing high value to their members while keeping costs low. Delivering online learning to WC Trust members will not only help extend the breadth of WC Trust services but bring further cost efficiencies to their members."

#####

**FirstNet Learning** is a leading provider of turnkey, online customer-branded universities, campuses and training centers to over 3,500 businesses, universities and municipalities. FirstNet Learning offers custom blended learning solutions and an extensive e-learning catalog of more than 2,500 courses focused on human capital management, risk management, health & safety, productivity, business skills, pc desktop skills and more.
