FIRSTNET LEARNING

BE SMART. BE SAFE.

"It ain't over till it's over." Yogi Berra
When it comes to safety, it's never over.

April is not over yet.

This week was PLAYGROUND SAFETY WEEK.

At FirstNet we believe **Playground Safety should be a priority EVERY DAY.** If you:

- operate a playground
- are employed by municipality or district that contains and maintains playgrounds
- or you're a parent who's kids play on a playground...

...**TAKE THIS COURSE.** Why? Because over 200,000 children are treated by emergency rooms for playground-related injuries. (I ALONE accounted for at least one per year for a number of years - scroll down and read my blog).

Take just 30 minutes to increase knowledge and reduce risk. **Be Smart. Be Safe!**

April is also National Distracted Driving Month and National Youth Sports Safety Month.

Distracted Driving

Take your attention away from driving and technically, you're no longer driving.
Don't put yourself and others in grave danger...perhaps even in the grave.

A KLUTZ ALL MY LIFE (or Why Playground Safety is So Important!)

Knocked out my two front teeth falling from monkey bars.

Broke my arm falling off a rope swing.

Black eye from a regular swing.

Okay - these were all my fault and they happened a long time ago. But the injury I remember the most? Getting my hand - or specifically, the skin between my thumb and pointer finger, caught in the rusty broken chain of a swing.... [Read Our Blog](#)
