

Your business needs are constantly changing. The technology you use must keep pace or, better yet, be ahead of the game.

Whether you're considering implementing an LMS solution, or changing to a different solution, we invite you to look at the future of online training and see what the NextGen Learning Management System can do for you, for learners, and for organizations of all sizes.

FirstNet NextGen 2.0 is a Learning Management System that:

- Manages blended learning: online courses, classroom/ILT, webinars, learning events and conferences
- Manages, delivers, and tracks policies
- Manages resources of all kinds: manuals, white papers, links, videos, alerts
- Contains tools to enrich both the User and Administrator experience
- Automatically customizes training experience for individual users
- Automatically matches users with pre-built training profiles and curricula
- Assigns users specific courses and policies, then tracks progress and completion
- Automates tracking of Continuing Education (CEU) training activity
- Certificates of Completion branded to your organization and signed by your authority
- Offers customers a multitude of options and hierarchical levels
- Created and branded to match your organization
- Populated with any of our 700+ courses in Health and Safety, Employment Liability, Human Capital, Computer Skills, Defensive Driving and Law Enforcement...OR
- Populated with your own online courses...or both yours and ours

NextGen helps learners increase knowledge, meet compliance, increase productivity, and achieve certification. Our learning management system allows organizations to affordably and seamlessly deliver, manage, track, verify, and report on all types of training. And do it all affordably.

## 27,680 EEOC Sexual Harassment Charges in 2013

### What is Sexual Harassment & WHY is it Still Occurring?

According to the U.S. Equal Employment Opportunity Commission (EEOC), "Sexual harassment is a form of sex discrimination that violates Title VII of the Civil Rights Act of 1964." While Title VII applies to employers with 15 or more employees, including state and local governments, harassment - sexual and otherwise - continues to occur in organizations of all sizes.

### 33,561 Reasons Why Driving Safety Needs to be a Priority

**That's the number of  
motor vehicle fatalities  
in 2012** (U.S. DOT).

Over 16,700 drivers.  
Over 6,000 passengers.  
4,957 motorcyclists.  
Almost 5,000 pedestrians.  
And 726 pedal cyclists.

Driving has changed.  
Vehicles have changed.  
Drivers and their behaviors  
need to change.

Whether you and your  
employees have been  
driving for decades or just  
a few years, defensive  
driving and driving safety  
knowledge needs to be  
renewed, refreshed, and  
retained.

We're proud to offer the  
following driving courses:

The EEOC states that unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature constitute sexual harassment when this conduct *explicitly or implicitly* affects an individual's employment, unreasonably interferes with an individual's work performance, or creates an intimidating, hostile, or offensive work environment.

FirstNet offers Sexual Harassment Prevention online courses for employees, supervisors, California Supervisors (AB1825), and CAL/OSHA, as well as Unlawful Harassment Prevention for employees and employers that covers all protected categories.

### Honoring Holiday Traditions at Work

"In the popular sitcom Seinfeld a holiday-time episode focused on the "holiday" celebrated by George and his family, called Festivus. Festivus was intended as an alternative for everyone who didn't have something to celebrate."
