

FIRSTNET LEARNING

BE SMART. BE SAFE.

Learn more about [Below100.org's mission](http://Below100.org) - reducing officer deaths by creating awareness and culture change.

FirstNet Learning is proud to offer **Below100:** The only *online* training created specifically to help officers get home safely every night.

The Below100 course catalog was created in cooperation with Below100.org to reduce the number of line of duty deaths.

- Learn how [5 Tenets](#) can significantly improve your chances of getting through your shift safely.
- Visit below100.org to find out where to attend live trainings conducted by officers who volunteer their time for this cause.
- For more information on training for Law Enforcement officers, [contact FirstNet](#).

Below100 Tenet #1: Wear your seatbelt. Always.

In just one year, 42% of the fatal law enforcement vehicle collisions involved a single-vehicle crash striking a fixed object off the roadway.

In 2014, 51 of the 133 LODD deaths involved a vehicle or a motorcycle.

Help us reduce the number of avoidable officer deaths in 2016.
