FIRSTNET LEARNING

BE SMART. BE SAFE.

May is...

May is chock-full of national safety celebrations: Motorcycle Safety, Electric Safety, Building Safety, North American Occupational Safety & Health Week, Police Week, Heat Safety Awareness Day, Lyme Disease Awareness Month, Health and Safe Swimming Week, and American Craft Beer Week (threw that one in for fun!).

May is also prime time for hiring and training seasonal employees!

Is your organization trained and ready? For May we are featuring the following courses:

Health and Safety Courses:

Aquatic Safety

3,000 to 4,000 people drown annually with most occurring during summer months. All employees can learn to make swim time safe.

[Learn More](#)

Safety Awareness for Seasonal Employees

Statistics show that new employees are more susceptible to accidents than more experienced workers. Start them off safely!

[Learn More](#)

Landscape Safety

This course contains core safety guidelines that your crew needs to know - from prepping for work, to operating machinery, to first aid response.

[Learn More](#)

Employment Liability Courses:

Guide to Interviewing

Which is tougher - interviewing or being interviewed? Answer: both are equally tough & strong knowledge of what to ask - and not ask - is important!

[Learn More](#)

EEO Laws & Discrimination Prevention

So many ways to discriminate: Age, Disability, National Origin, Gender, Pregnancy, Race, Religion. Learn the laws & practices to stay on the right legal track.

[Learn More](#)

Team Building Across Cultures

Chances are good that your employees are a diverse group! Learn concepts & concrete tips to build a strong diverse team, plus much more!
